Farnsfield Cricket Club All Players Code of Conduct

We are an amateur club run by committed volunteers and for us to achieve the club's ambitions everyone has their part to play. The Player's Charter defines what you can expect of Farnsfield Cricket Club and what Farnsfield Cricket Club expects of you. Adhering to the standards within the Players' Charter will ensure that you have played your part in helping Farnsfield Cricket Club be successful.

What can you expect from Farnsfield Cricket Club

1. **Good communication & clear information:** To inform you which team you are selected for with explanation/reason of any decision made. To provide details of where and when the match is to be played and the meeting place/time you must attend.
2. **Good conduct:** To provide support and guidance where conduct falls below expectations. To inform Players and Parents of the requirements of Cricket at the Club.
3. **Good timekeeping:** To enable the team to have the best match day preparation, all players must ensure they are on time and ready to play. Captains will lead by example and arrive at the agreed meeting time.
4. **Encouragement to develop:** Player development is encouraged throughout the club at all levels. Each player will be given every chance to play at the highest standard possible for them as an individual.
5. **Fairness:** a player's commitment towards playing and training will reflect on team selection. Should players choose to miss cricket matches for other activities their selection cannot be guaranteed upon their return.

What is expected from you as a player for Farnsfield Cricket Club

1. **Support the development of the club.** Farnsfield Cricket Club aims to develop all levels of cricketers. Players will play where they have been selected to facilitate club development. It is expected that players commit to supporting the Club both off and on the pitch by, for example: supporting Junior training, attending fund raising events and volunteering.
2. **Good conduct:** At all times conduct yourself in an appropriate manner. Treat the opposition, match officials, your teammates and team captain with respect both off and on the field. Play the game within the spirit of cricket and promote the positive aspects of cricket i.e. fair play. Actively discourage unfair play, rule violations and arguing with match officials. Recognise good performance not just match results. Respect opinions when making decisions about participation in Cricket. Develop an appropriate relationship with all players based on mutual trust and respect.
3. **Laws and Rule.** Respect the laws and rules of the Club and the game and play within them, respecting the decisions of Club and match officials. Ensure that activities are appropriate for the age, maturity, experience and ability of the individual.
4. **Safeguarding:** You are expected to follow our Safeguarding Policy which is the ECB Safeguarding policy. This changes from time to time and is available on the Club's website, the ECB website or by request to the Club Safeguarding Officer.
5. **Prompt payment of annual subs and match fees** – Annual subs must be paid before the first league game of the season. Players will not be selected if annual subscriptions have not been paid by this deadline. All players must ensure that their match fee is paid prior to the game commencing. Should any game be cancelled the players' payment will carry forward to the next available game.
6. **Training:** Attend training sessions regularly both in the winter and throughout the cricket season. Take a full and active part in all aspects of the training sessions.
7. **Pre & Post match requirements:** It is your responsibility both before and after games & training to help put out and put away relevant equipment. Offer to help, do not assume that someone else will do this.

8. **Regular availability:** Make yourself available for selection throughout the season. If for any reason you are not able to play, you must inform your captain as soon as possible.
9. **Prompt communication:** it is essential that when you are contacted regarding your availability for a forthcoming game, you respond promptly. Team selection will be made assuming you are unavailable if you have not responded.
10. **Good timekeeping:** In order for us to prepare for a match, your Captain needs you to be there at the stated time. The stated time for each match is the latest time you should arrive. If, for any reason you are running late, you must inform your Captain.

Contraventions of the Players' Code of Conduct and Complex Issues

1. If any playing member contravenes the Players' Code of Conduct at any time it will be dealt with immediately by the Cricket Resource.
2. Any contravention of the Players' Code of Conduct can be raised by any member to an Officer of Cricket. This will be shared in the first instance with the Officer of Cricket aligned to that section, for example the Head of Junior Cricket for anything related to Junior Cricket or the Head of Women's Cricket for Women's Cricket. Once this has been raised, then that Officer shall liaise with the Cricket Secretary who will ensure that a meeting between that member and two non-conflicted Officers of Cricket is set up. They will review the evidence and decide on any course of action, consulting the Management Committee if required.
3. If two non-conflicted Officers of Cricket cannot be determined, the Cricket Secretary shall inform the Management Committee who will then take over the matter.
4. Following any issue arising under this heading, the Cricket Secretary will inform the Club Secretary and one other member of the Management Committee.
